LIVE UNITED™

Advancing the common good
and producing lasting change
in Garfield County since 1983.

Together.

United Way of Garfield County

Why support United Way of Garfield County?

Six important ways United Way is uniting Garfield County – connecting caring people and businesses with local nonprofits to produce results!

We're Local.

Your contribution stays local to help many fine organizations right here in our region.

They are not sent off to a national headquarters and spread across the country. Every dollar donated is used here in Garfield County.

Convenience.

Giving to United Way is an efficient and convenient way to show your concern about the needs in our area.

Instead of sending donations to several organizations, you simply write one check and we disburse the funds to many qualifying charities in the area.

Assurance.

We maximize the effectiveness of your contribution.

We carefully screen all the charities we work with to make sure they're effectively fulfilling their stated mission and purpose to help others, so you'll know that your donation will produce results.

If your company doesn't have an annual campaign, visit our web site at www.unitedwayofgarfieldcounty.org or call 970-625-8189 to learn how you can help.

Impact.

Your generosity has even greater impact when facilitated by United Way.

Your gift is combined with contributions from many others so we can provide significant grants of up to \$5,000 to qualified charitable organizations. Often these grants are used to launch new programs or services, so you'll be helping to create new ways of meeting needs in our area.

Efficiency.

Our overhead is minimal.

With only one full-time one employee, more of your contribution goes directly to the organizations that are helping others in our region.

Accountability.

Verification ensures results.

We follow up to make sure that charities use the funding they receive in the ways they said they would, so you'll have confidence from start to finish when you make a contribution.

Be part of improving the stability and well being of people living in Garfield County. Because united we stand. United, we elevate. United, we can change what we see in our world.

GIVE.

The workplace campaign is the easiest way to invest in your community. You can also give directly to United Way using the form attached to this brochure. As always, we will also process a restricted contribution to qualified 501 (c) 3 organizations.

ADVOCATE.

You can make change happen with your voice. Get informed and get involved. Tell your friends. Write a letter to the editor. United Way needs people who are passionate about community needs to make some noise. Please visit our website to stay in the know about issues and opportunities right here in Garfield County.

VOLUNTEER.

We encourage everyone to get involved and be united within our communities. You can volunteer with United Way of Garfield County by joining our board of directors or one of our workplace campaign committees. You can also volunteer with any of the fine charitable organizations we support. Contact us – we'll get you plugged in!
